Step 2: Email Activation

Once Benavest received and processed your request for Oscar, you will receive an email activation from Oscar to confirm your account. Please be sure to activate your account through this email sent from brokers@hioscar.com.

> To access your Oscar Broker Portal, visit: https://business.hioscar.com/login
> The username is your registered email address with Benavest.

Once you activate the email from brokers@hioscar.com, you will set your password (or click forgot password on https://business.hioscar.com/logintoreset).

Step 3: FFM/CMS and Stride Verification Completion

Oscar's new EDE enrollments for Healthcare.gov, which was launched on 06/01/2022, has interrupted the ability to sell off-exchange without being registered with Stride.

In order to quote and enroll in the Oscar Broker Portal, as a broker, you need to ensure that you are certified with CMS and then complete the verification with Stride accordingly.

> There is no need to send a copy of your FFM Certficate to Oscar.
> *The FFM Certification gets updated automatically in Oscar's system. You''ll have to wait until the feed is sent to Oscar. It takes around 30 days to get updated in Oscar's system.*

This will then allow the broker portal to be used and will function similarly to how it operated previously. This means that It will not redirect you to the Marketplace if you are using FFM plans and instead, the information will be sent out on the back end. You'll get to see all the plans available to your clients directly through our Oscar Portal.

The Federally Facilitated Marketplace has set up the Experian Verification process to ensure the security and protection of the members and brokers who utilize its service. The Experian verification comes from CMS. Hence, you will need to do this verification process in order to sign up members through your Oscar Broker Portal.

We are aware that this is rather cumbersome and time consuming, however, will allow brokers to use the Oscar broker portal. **Please reach out directly to Stride verification's help desk by phone at 1-855-267-1515 or by email agentsupport@stridehealth.com on verification completion.**
